How do you intend to select the investments for your plan?

Use Investment Pathways ⁶

If you intend to use Investment Pathways please select the pathway which corresponds most closely to your intentions:

1. I have no plans to touch my money in the next five years
2. I plan to use my money to set up a guaranteed income (annuity) within the next five years
3. I plan to start taking my money as a long-term income within the next five years
4. I plan to take out all my money within the next five years
- Select investments without using Investment Pathways
- Remain invested with your current assets

³ Please note that only investments which are available within the TrinityBridge SIPP can be transferred in-specie from your current arrangement. As part of the transfer process, investments which are not available will be sold and transferred as cash. Should the share class of your investment not be available on our platform, we may still be able to accept the transfer and will contact you to outline your options. You can search for your current holdings online to confirm that they are supported by our services.

Please also note that any cash held within your transferring plan will be transferred to TrinityBridge regardless of the estimated amount entered here.

⁴ If yes, please provide the value of the crystallised fund in the box provided.

⁵ Investment Pathways are funds which are designed to match specific investment objectives. Any such investments within your scheme will be labelled as Investment Pathways.

⁶ Please note TrinityBridge does not offer investment pathways and so we will be unable to proceed with your transfer request if you have chosen to use Investment Pathways. Other providers do offer Investment Pathways and you may benefit from shopping around. We recommend that you discuss your options with a regulated financial adviser. If you do not have a financial adviser, or do not wish to take financial advice, you can use the Money and Pensions Service's Drawdown Comparator which is available at moneyadvice.service.org.uk/

Your SIPP illustration

Once we have processed your transfer application we will generate a personalised SIPP illustration. This will show a potential outcome for your investment in the TrinityBridge SIPP based on certain assumptions for investment returns and annuity rates. It is not a guarantee of what you will actually receive in the future and such forecasts are not a reliable indicator of future performance. The illustration will be stored in your Document Library.

Important information

TrinityBridge has given no advice as to the suitability of this transfer for your needs.

You should note that some pension arrangements may offer valuable benefits such as a Guaranteed Minimum Pension (GMP), Reference Scheme Test (RST) benefits or Guaranteed Annuity Rates (GARs). In addition some pension arrangements may allow you to draw benefits from them earlier than the standard minimum pension age or they could have an entitlement to a higher amount of pension commencement lump sum (PCLS) when benefits are drawn.

If you were to transfer from a pension arrangement that has any of these benefits then they would be lost on transfer into your TrinityBridge SIPP. Please check if the pension arrangement that you are considering transferring provides any of these benefits.

By reading the information below and signing the declaration you confirm that you accept that you are solely responsible for your investment decisions, for the suitability of the transfer, for the product you have selected and that you understand the risks to your capital that are involved. We have no responsibility for determining the suitability of investments, unless we agree otherwise with you. TrinityBridge will not assess the appropriateness of your investments which means you are not eligible for the FCA's suitability protection in relation to your engagement with us.

If you are unsure about the suitability of the product/investment for your needs, the suitability of transferring, or if you are in any doubt about buying or selling shares, or anything else regarding investing, we recommend that you seek professional financial advice.

This service is provided and will be carried out in accordance with the TrinityBridge Terms and Conditions. These are the standard terms of conduct for the business and are available in the online Document Library and at trinitybridge.com/general-terms-and-conditions should you wish to review them in future. For your own benefit and protection you should read these terms carefully before signing them. Please speak call us if you have any questions regarding these.

Don't let a scammer enjoy your retirement

Find out how pension scams work, how to avoid them and what to do if you suspect a scam.

Scammers can be articulate and financially knowledgeable, with credible websites, testimonials and materials that are hard to distinguish from the real thing. Scammers design attractive offers to persuade you to transfer your pension pot to them or to release funds from it. It is then invested in unusual and high-risk investments like overseas property, renewable energy bonds, forestry, storage units, or simply stolen outright.

Scam tactics include:

- contact out of the blue

- promises of high / guaranteed returns

- free pension reviews

- access to your pension before age 55

- pressure to act quickly

If you suspect a scam, report it

- Report to the Financial Conduct Authority (FCA) by contacting their Consumer Helpline on **0800 111 6768** or using the reporting form at www.fca.org.uk
- Report to Action Fraud on **0300 123 2040** or at www.actionfraud.police.uk
- If you're in the middle of a transfer, **contact your provider immediately** and then get in touch with MoneyHelper at: www.moneyhelper.org.uk

Four simple steps to protect yourself from pension scams

1

Reject unexpected offers

If you're contacted out of the blue about your pension, chances are it's high risk or a scam. Be wary of free pension review offers. A free offer out of the blue from a company you have not dealt with before is probably a scam. Fortunately, research shows that 95% of unexpected pension offers are rejected.*

2

Check who you're dealing with

Check the [Financial Services Register \(https://register.fca.org.uk\)](https://register.fca.org.uk) to make sure that anyone offering you advice or other financial services is FCA-authorized.

If you don't use an FCA-authorized firm, you also won't have access to the Financial Ombudsman Service or the Financial Services Compensation Scheme. So you're unlikely to get your money back if things go wrong. If the firm is on the FCA Register, you should call the Consumer Helpline on 0800 111 6768 to check the firm is permitted to give pension advice. Beware of fraudsters pretending to be from a firm authorized by the FCA, as it could be what we call a 'clone firm'. Use the contact details provided on the FCA Register, not the details they give you.

3

Don't be rushed or pressured

Take your time to make all the checks you need – even if this means turning down an 'amazing deal'. Be wary of promised returns that sound too good to be true and don't be rushed or pressured into making a decision.

4

Get impartial information and advice

[MoneyHelper \(www.moneyhelper.org.uk\)](http://www.moneyhelper.org.uk) – Provides free independent and impartial information and guidance.

[Pension Wise](http://www.moneyhelper.org.uk/en/pensions-and-retirement/taking-your-pension/pension-wise) – If you're over 50 and have a defined contribution (DC) pension, Pension Wise offers pre-booked appointments to talk through your retirement options at: www.moneyhelper.org.uk/en/pensions-and-retirement/taking-your-pension/pension-wise

[Financial advisers](#) – It's important you make the best decision for your own personal circumstances, so you should seriously consider using the services of a financial adviser. If you do opt for an adviser, be sure to use one that is regulated by the FCA and never take investment advice from the company that contacted you or an adviser they suggest, as this may be part of the scam.

Be ScamSmart with your pension. Check who you are dealing with.
