3. Income from your investments

Some investments generate income in the form of dividends, distributions or interest. All income generated will be retained in the JISA as cash. Please note, withdrawals are not permitted from JISAs.

This application relates to the opening of a Stocks and Shares Junior Individual Savings Account (JISA) as detailed in the Declaration and Authorisation section. If you are transferring in assets from another JISA or Child Trust Fund (CTF), you should also complete the TrinityBridge JISA Transfer Authority Form.

This form must be completed in full, signed and dated. Please use **BLOCK** capitals, preferably using black ink.

Please note, any sections that are not completed correctly may result in delays and this form may have to be returned to you.

- 1** Please note that the eligible child is the beneficial owner of the investments held in this JISA.
- 2** Care of and PO Box addresses are not accepted. Only UK mainland and Northern Ireland addresses are permitted.
- 3** This should be completed by the parent/guardian intending to be the Registered Contact.
- 4** Your account number can be found in the top right hand corner of your online portal. If you do not have online access, this can be found on any correspondence from us, i.e. SMI789.

4. Registered contact declaration and authorisation

The terminology within this declaration aligns with the TrinityBridge Terms and Conditions (as applicable), which can be viewed at trinitybridge.com/general-terms-and-conditions. Please contact us if you have any questions regarding these. Please also note that JISA or CTF accounts with a nil balance after the transfer of investments into this JISA are exempt from the following declarations.
