Can I change my mind?

If you apply directly to us, you will not have any right to cancel your investment. In this case, if you change your mind, you will need to sell your investment back to us by sending a repurchase request.

If you apply via a financial adviser, you may receive a cancellation notice, which gives you 14 days to change your mind. However, if the value of your investment has fallen between the time of issuing your units or shares and us receiving your cancellation notice, we will deduct the amount by which it has fallen from your payment before returning your money to you. This deduction will not be applied to the first instalment made into a regular savings scheme.
